M/s Wonder Play has also quoted the orders of Delhi High Court that equipment should be children friendly and suitable to kid and free to any harm to kids. These firms suggested following certificates to incorporate in these tenders:-

1. German Product Safety Act Certificate (GS Certificate)
2. EN Certificate (EN 16630:2015)

In this connection, it is intimated that M.C. Shimla has already mentioned the Compliance Certificate (CE) in order to ensure the good quality of product. No firms shall be considered without this certificate and straightway rejected. For this purpose, the department can also perform test of supplied products randomly from any approved National Accreditation Board for Testing and Calibration Laboratories (NABL) in India. Moreover, to ensure good quality of product the Committee will visit the site at the time of installation. Therefore the parameters suggested by the above firms are not necessary to incorporate in these tenders.

Other terms and conditions shall remain same. Detailed name of works, terms and conditions can be viewed on MC Website & HP Tender Portal.
